Apology Resolution, Public Law 103–150 (1993)

Whereas, the Republic of Hawaii also ceded 1,800,000 acres of crown. government, and public lands of the Kingdom of Hawaii, without the conse of or compensation to the Native Hawaiian people of Hawaii or their sovereign governmen

Apology Resolution, Public Law 103–150 (1993)

Whereas, the indigenous <u>Hawaiian people never</u> directly relinquished their <u>claims to their</u> inherent <u>sovereignty as a people or</u> over their national lands to the United States, either through their monarchy or through a plebiscite or referendum:

Litigation and Legislation Re OHA's Pro Rata Share

Pro rata portion of public land for the betterment of the conduction Native Hawaiians

- Yamasaki 1987: Hawai'i Supreme Court: issues are nonjusticiable and legislature must make initial policy decisions about OHA's pro rata share.
- 1990: OHA and State through Gov. Waihee entered into a settlement. Act 304 defined "revenue," set process to determine past due revenue, and segregated revenue from the "actual use" or disposition of trust lands into two categories sovereign and proprietary.
- OHA would not receive sovereign revenue such as taxes, fines, and federal grants or subsidies - generated from the exercise of State sovereign powers.
- Proprietary revenue, such as rents, leases, and licenses, would be subject to OHA's pro rata share.

Act 304, SLH 1990 State Continues to Use to Today

OHA's pro rata share to be calculated on **proprietary revenue**, or "proceeds, fees, charges, rents, or other income, or any portion thereof, derived from any sale, lease, license, permit, or other similar proprietary disposition, permitted use, or activity, that is situated upon and results from the actual use of lands comprising the public land trust, and including any penalties or levies exacted as a result of a violation of the terms of any propriety disposition"

Sovereign revenue was expressly excluded from OHA's pro rata share, including:

- 1. Taxes;
- 2. Regulatory or licensing fees;
- 3. Fines, penalties, or levies;
- 4. Registration fees;
- 5. Moneys received by any public educational institutions, including the University of Hawai'i, and the community college system, from educational its programs and ancillary services, such as tuition, registration fees, meals, books, grants, or scholarships;
- 6. Interagency and intra-agency administrative fees or assessments;
- 7. Moneys derived from or in support of penal institutions and programs;
- 8. Grants, carry-overs, and pass-throughs;
- 9. Federal moneys, including federal-aid, grants, subsidies, and contracts;
- 10. Moneys collected from the sale or dissemination of government²¹

No Historical Agreement - Disputed Sources - Judge Heely (1996)

- v <u>1993: State and OHA agree to revenue streams included in OHA's pro rata share, and</u> <u>\$135 million past due for 1980 to 1991 for certain issues. DISPUTED SOURCES REMAIN.</u>
- v <u>1996: Trial Judge Daniel Heeley rules in OHA's favor.</u>

v Hospital revenue

- Patient services fees, cafeteria sales, and lease rent at Hilo Hospital "is clearly a proprietary rather than sovereign exercise of power which does not shield the Hilo Hospital Income from Act 304's definition of 'revenues'". Oct. 23, 1996 Heely Decision at 14.
- v Public housing developments and rent
 - The state's activities of providing affordable housing "which are carried out by private individuals also," are proprietary in nature. Oct. 23, 1996 Heely Decision at 9.
- v Interest on investment of withheld revenue from public trust land
 - "[T]he State is required to pay [OHA] its pro rata share of the interest income earned by the State from ceded land revenues derived from the Public Land Trust." Oct. 23, 1996 Heely Decision at 16.
- υ DOT-Airports Waikiki Duty Free
 - Subsequent to <u>OHA I</u>, DOT moved all Duty Free Shops operations off public trust land at HNL

FAA and Use of Airport Revenues

The FAA viewed such use of airport revenues as contrary to the policies and conditions of grants provided under the Airport Improvement Program 1982, to prevent an airport owner or operator who receives Federal assistance from using airport revenues for expenditures unrelated to the airport.

In a 1996 report, the USDOT Inspector General [IG Report] concluded that the State's payments to OHA between 1992 and 1995 in the amount of \$28.2 million "were a diversion of airport revenue in violation of [the FAA Authorization Act of 1994]" because OHA provided no services for the \$28.2 million and rejected the argument that the payments were for rent/use of the ceded lands.

Reef Runway Daniel K. Inouye International Airport

Pro rata portion of public land trust for the betterment of the conditions of Native Hawaiians

 1997: Act 329 set "<u>interim revenue</u>" at \$15.1 million/yr, established committee to address Public Land

Trust

DOT-Airports Revenue Under Cayetano Administration (1994-2002)

- 1996 Judge Heely finds "the State is required to pay OHA its pro rata portion of all rents or fees collected by the State for the Duty Free concessions at the State's airports, including rents based upon gross sales generated from the Waikiki duty Free shop."
- Following USDOT opinion that transfer of Airport revenue violated federal law, State halted transfers from Airport special fund to OHA in 3rd Q 1996
- 1997 Federal Forgiveness Act, OHA retained \$28.2 million transferred from Airport special fund
- Act 329, SLH 1997 equivalent payment included amount for landing fees, concession, terminal and ground rent in calculation of past due revenue withheld after 3rd Q 1996

Senator Daniel K. Inouye July 29, 1997, 105th Congress Airport Forgiveness Act

However, I would like to make clear that . . . the removal of the Airport Revenue Fund for use by the State of Hawaii as a source of compensating the Office of Hawaiian Affairs for use of ceded lands upon which the airports sit, <u>should not equate to a</u> <u>like reduction in the State's obligation to OHA under State law</u>. This forgiveness provision should not be construed as a forgiveness of the State's obligation to OHA.

The airports continue to sit on ceded lands. The State's obligation to compensate OHA for the use of the land upon which the airports sit should also continue. The only difference would now be the source the State will draw upon to satisfy its obligation.

See Forgiveness Act, § 340(d), 111 Stat. at 1448. CLARIFICATION -Nothing in this Act shall be construed to affect any existing Federal statutes, enactments, or trust obligations created thereunder, or any statute of the several States that defined the obligations of such States to Native Americans, <u>Native Hawaiians</u> or Alaska natives in connection with ceded lands, except to make clear that airport revenues may not be used to satisfy such obligations.

DOT-Airports Revenue Under Lingle Administration (2002-2010)

- Act 34, SLH 2003 appropriated back payment for pro rata share transfers halted from 2001-2003
- 2003 EO 03-03 resumed pro rata share payments, but no equivalent Airport revenue transferred
- Act 178, SLH 2006 pro rata share temporarily set at \$15.1 M; calculation included equivalent payments for "ancillary receipts" from DOT-Airports
- Act 178 appropriated \$17.5M for underpayments under EO 03-03

Act 15, SLH 2012

 Settlement addressed past due revenue, through June 30, 2012 including unresolved issues from Act 304 settlement

OHA received 10 parcels in Kakaako Makai

Act 226, SLH 2022

PLT bill increased annual pro rata share payments to OHA from \$15.1 million to \$21.5 million-, and one-time payment of \$64 million for some past due.

Act 226 assigns three tasks to a working group:

- (1) Account for all ceded lands in the PLT inventory;
- (2) Account for all income and proceeds from the PLT; and

(3) Subsequently determine the twenty per cent pro rata share of income and proceeds from the PLT due annually to the office of Hawaiian affairs for the betterment of the conditions of NHs.

8/15/22 OHA Chair appointed three: Chair, Trustee Trask, Attorney S. Broder

10/19/22 Gov. Ige appointed three: Neal Miyahira, Department of Budget & Finance, Neil Takekawa, DOT – Harbors, Ryan Kanaka'ole, Department of the Attorney General

UNGA Declaration on the Rights of Indigenous Peoples adopted 2007, US endorsed Dec. 2010

Article 3

Indigenous peoples have the right to self-determination. By virtue of that right they freely determine their political status and freely pursue their economic, social and cultural development.

Article 4

Indigenous peoples, in exercising their right to self-determination, have the right to autonomy or self-government in matters relating to their internal and local affairs, as well as ways and means for financing their autonomous functions.

Article 5

Indigenous peoples have the right to maintain and strengthen their distinct political, legal, economic, social and cultural institutions, while retaining their right to participate fully, if they so choose, in the political, economic, social and cultural life of the State.
