

Native Hawaiians face some of the greatest needs among Hawai'i's citizens.

Pooling resources to address these needs is an effective way for the State, private organizations, and OHA to meet shared goals.

TOTAL IMPACT

UPLIFTING HAWAII FAMILIES AND COMMUNITIES

- Strengthening connections to 'āina and culture
- Improve economic stability of 'ohana
- Support cultural-based education

* **NOTE:**
OHA's total biennium request is \$6.1M; \$3.1M in programmatic funds and \$2.9M for operations and personnel.

Students in culture-based education have higher connections to their communities, a greater sense of belonging, deeper cultural affiliation and more pronounced college aspirations.
