### Current Issues Being Monitored by OHA

#### Community-Based Subsistence Fishing Area – Kīpahulu

Kīpahulu 'Ohana have formally invited the State Division of Aquatic Resources to designate Kīpahulu Moku's nearshore waters as a Community-Based Subsistence Fishing Area (CBSFA). CBSFA designation was sought for the purposes of ahupua'a management, traditional Hawaiian rights, and other active involvement in managing the local area. The related Management Plan was updated in January 2023.

#### Kaua'ula Valley and designation of Lahaina Aquifer Sector Area

In April 2022, Laniupoko Irrigation ceased providing running water to farmers and families in Kaua'ula Valley without notice. A temporary order to restore water was issued and the Commission on Water Resource Management (CWRM) took steps to designate Lahaina Aquifer Sector Area. The CWRM rendered a decision to accept the Chairperson's recommendation.

## Native Hawaiian Population in District #5

Number may be an overcount due to being combined with other Pacific Islanders

There are **16,352** Native Hawaiian and Other Pacific Islanders (who report NHOPI alone or in combination with one or more races) in the district. This is nearly **30.1%** of the total 54,309 estimated population according to the U.S. Census Bureau, 2022 American Community Survey 5-Year Estimates, DP05 Selected Demographic Characteristics.

### Current Native Hawaiian Conditions on Maui

#### Educational Pathways Data

- 28% (83) of all Maui Island Native Hawaiian public high school graduates (300) enrolled in colleges across the nation, compared to 57% (516) of all non-Hawaiian Maui Island public high school graduates (908) (SY21-22).
- While there are no Hawaiian Focused Charter Schools or stand alone Hawaiian Medium Schools, there are seven (7) Kaiapuni Programs on Maui (SY21-22).

#### Health Outcomes Data
