Current Issues Being Monitored by OHA

Proposed Habitat Protections and Promulgating Rules within Ka Pa'akai Analysis Framework

The Department of Aquatic Resources is tasked with promulgating proposed rules for Manta Ray Sanctuary Designation at Keauhou and Makako Bays. Concern regarding the rule promulgation and incorporating Ka Pa'a Kai Analysis in the rule making process has been expressed to Department of Land and Natural Resources.

Act 255 Mauna Kea Stewardship and Oversight Authority

The Mauna Kea Working Group was established by HR33 in 2021 to "develop recommendations, building on the findings of the Independent Evaluation of the Implementation of the Mauna Kea Comprehensive Management Plan, for a new governance and management structure for Mauna Kea that collaboratively engages with all stakeholders, particularly the Native Hawaiian community." As of July 2022, the passing of Act 255 will allow for a new governing authority to oversee Mauna Kea management – the Mauna Kea Stewardship and Oversight Authority to decide lease terms and priorities for the Mauna.

National Science Foundation (NSF) Public Scoping for Siting of TMT/ELT on Mauna Kea

The NSF released a Notice of Intent (NOI) in the Federal register regarding proposed funding for construction and operation of a Thirty-Meter Telescope within the summit area of the conservation district of Mauna Kea. The NOI triggers the start of public comments on a public scoping process being done pursuant to National Environmental Protection Act.

Native Hawaiian Population in District #2

Number may be an overcount due to being combined with other Pacific Islanders

There are **17,285** Native Hawaiian and Other Pacific Islanders (who report NHOPI alone or in combination with one or more races) in the district. This is nearly **37.3%** of the total 46,245 estimated population according to the U.S. Census Bureau, 2022 American Community Survey 5-Year Estimates, DP05 Selected Demographic Characteristics.
