### III.COMMUNITY CONCERNS\*

CL asks if anyone has come to speak under COMMUNITY CONCERNS. He calls upon Germaine Meyers to come forward to share her mana'o.

Germaine Meyers (GM) – shares a flyer regarding homelessness that she created. She mentions that these pictures of homeless people are on OHA land in Kaka'ako. She also shared comments regarding her not coming to OHA to look for a job or get grants as others may have shared those things about her and made assumptions in the past. She also shares her mana'o that those who come to testify want to see transparency and those who don't may be OHA grantees. She continues to share mana'o about Trustees being on opposite sides of issues and three are in the middle. She says that these three Trustees can ensure that the audit goes through. She mentions three different things about each of them and again shares that they can make a difference.

CL says thank you and proceeds on to item IV. A. He calls upon OHA's Chief Advocate, Kawika Riley (KR), to share updates regarding the BAE Legislative Matrix.

### IV.NEW BUSINESS

## A. 2017 OHA Legislative Positioning — Matrix 1\*\*

KR calls upon Jocelyn Doane (JD) and Wayne Tanaka (WT) to share updates regarding the BAE Legislative Matrix.

JD – shares that the updates will be good and not so good. The first item is item 4, HCR80. There are three different measures that go through this, but she only reviews one today as the other two are substantially similar. These resolutions speak of the transfer of Mauna ‘Ala management to a non-profit. She shares the potential partners/collaborators and shares that this is just a working group for now. Some additional discussion occurred regarding the working group and the caring of Mauna ‘Ala, but at this time, it seems as if the Ali‘i Trusts and DLNR and others are caring for Mauna ‘Ala and going forward that would seem to be the best situation. OHA Administration's recommendation is to MONITOR.

Next is item 6, HCR93. This resolution speaks of an audit for insurance coverage for Cultural Based Activities. OHA Staff has concern for the possibility of the Auditor's scope being too narrow and saying that this is not cost effective. That would definitely set back all the progress made in this area thus far. OHA Administration recommends COMMENT at this point. OHA is still behind preventative care, but the Insurance Industry is still unsure how to insure this type of activity and showed great concern for this Bill at the hearing. There was limited discussion regarding this resolution.

Next is item 29, HCR185. This encourages the state and counties to develop a tax plan to include primarily property, income and general excise tax incentives for state residents. They are looking to shift the tax burden to non-residents and investors. “How do we do this?” is the legislature's big question. Constitutional questions are popping up at the legislative hearings right now regarding this issue. OHA Administration recommends COMMENT. Additional comments were shared by Trustees regarding this issue, but no comments related to changing OHA's position.

The next item is item 35, HCR195. This resolution calls for the Department of Education to create a Task Force to locate a K-12 Hawaiian Language Immersion School in the district of Wai‘anae. OHA Administration recommends COMMENT. JD shares who the Task Force members would be if the resolution passes and is established. Expense is an issue when establishing a K-12 Hawaiian Language Immersion School. It is less costly to establish the school within a school that already has an existing Hawaiian Language Immersion program. Right now, once a student completes the 6<sup>th</sup> grade, the only immersion options up to grade 12 are ‘Ānuenue or Kahuku High School.

JD continues with item 40, HCR209. This resolution is related to Papahānaumokuākea. It acknowledges the expansion of the monument area as culturally and scientifically significant. It requests DLNR to do more management and requests that DLNR consult with OHA. It also suggests that DLNR consider fees for its permits. The comments that OHA Administration provided related to how additional fees could add to the barriers that already exist for our cultural practitioners. OHA Administration recommends COMMENT.

Next is item 83, SCR154. This is related to a Quit Claim Deed for a parcel on Maui. OHA Administration recommends OPPOSE. DLNR would be able to transfer this parcel to the County of Maui for a 4,000 sq. ft. right of way can be sold to a private entity. Based on the TMK information in the resolution, it does not allow OHA to learn whether the parcel is ceded or if it qualifies for an

exception to the ceded lands policy. It is also inconsistent with current state policy regarding the disposition of state land. Additional discussion occurs between Trustees and administration regarding the use of the land. WT reveals that the County of Maui intends to sell the parcel to a church.

Next is item 92, SCR174. This relates to an easement for ADC at Kukaniloko. It requests DLNR provide assistance to OHA regarding a water/irrigation infrastructure easement with ADC. OHA is being requested to give an easement to ADC for their transmission lines for their well water and their water treatment plant. This is believed to be an unnecessary resolution as OHA is already in discussions with ADC regarding their well water transmission. However, OHA does see that the hearings for the resolution may be a way to share the current discussions between ADC and OHA at this time. OHA Administration recommends COMMENT. Additional discussion amongst Trustees occurred with main points being OHA's ability to use the well water if this occurs and that OHA's needs are met while trying to accommodate ADC's requests.

JD continues on and shares that OHA still opposes 4 Bills moving through the legislature. One is the KIRC Bill and another is the OHA Collective Bargaining Bill. Both have double referrals and no notices have been filed. Tomorrow is the deadline. For the resolutions, all resolutions need to be heard in their last committee by next week Wednesday. OHA seems to be in the clear regarding the KIRC Bill and the OHA Collective Bargaining Bill, but staff will be monitoring just in case it pops up later in the session under another Bill number.

Next week, JD will share comments about the Trespassing Bill and the Airport Corporation Bill.

T. Machado asks about SB601 SD2 regarding allowing a member from Lānaʻi to serve on the King Kamehameha Celebration Commission.

JD shares that because there is an appropriation attached; OHA Administration has not recommended any position.

T. Machado shares that she is advocating for support on these measures.

JD mentions that she will look at the measures and bring it back next week.

CL calls for a motion to approve:

CL calls upon KR, JD and WT to share updates regarding item V. A.

#### **V.UNFINISHED BUSINESS**

##### **A. 2017 OHA Legislative Package Updates — Matrix 2\*\***

JD shares that there are updates. The Konohiki resolution had a hearing yesterday in the House and it moved. There may be a small amendment, but staff does not see that as a big issue. Charter School Resolution has a hearing today. The Charter School facilities Bill is still the priority, but staff is advocating for this resolution. The OHA Budget Bill has not changed. The current measure is still allotting \$2.49 million. Staff does not believe much thought went into the cut. Staff will try to have the money put back in on the Senate side.

CL thanks everyone.
